

Education Session presentations should last approximately 40 minutes, with 5 minutes for audience questions. A formal outline must be submitted to ensure that your presentation supports your abstract and aligns with your learning objectives. All outlines should be uploaded to your [CAMX FluidReview](#) account as a MS-Word Document by **May 17, 2019**.

Outline Guidelines:

- 2-3 learning objectives
- Key topics and the supporting information
- Data samples; if applicable
- Projected number slides and the time allocated to each slide.
- 1-2 anticipated audience questions (Questions will be provided to session moderator)
